(Special to The Evening World.) SHEEPSHEAD BAY RACE TRACK, July 11.—Three favorites out of four were knocked down here today up to the running of the Jamaica Stakes. Joe Nealon was the only public choice to go through, and he was at odds on the books. The race was far and away ahead of the afternoon.

A war between the Gates-Durnell combine and Billy Dubois, the millionaire club-house commissioner, came to a head after the third race when Dubois bid up Joe Nealon, the Durnell horse, \$2,000 over his selling price.

The whole fight has grown out of the purchase of Charles Edward at the recent sale. It was thought that Dubois had bought the sprinter for Gates, but he decided to keep the animal himself. Two disqualifications by the stewards also helped to make the day eventful. Presiding Steward Fitzgerald exercised his authority twice, taking Red Leaf out of the money in the second race and Sanguine in the third.

New Track Record Made.

The stake feature of the day resulted in a new track record of 1:14 1/2 by Lady Anne, ridden by Miller. She led from start to finish. Jacobite, the favorite, came strong at the end and got the place from Red River. Little Preston, who rode Zai, was thrown in this race while the field was rounding the far turn. He was taken back to the paddock in Patrol Judge Hall's carriage. Zai ran around the field until he was tired enough to allow himself to be caught.

John W. Gates was credited with a bet of \$1,000 on Joe Nealon in this race. Just before the fifth race, a peal of thunder over the track gave indication of Brighton's annual storm. It threatened to ruin the day.

Martin Shows His Class.

Jack Martin can lose as artistically as he can win when he wants to. To-day Martin lost his race in the safest possible way. Just before the fifth race, a peal of thunder over the track gave indication of Brighton's annual storm. It threatened to ruin the day.

Saville Falls Again.

Saville again failed his backers in the second race. After leading to the far turn he backed up. John Smulski led into the field and the race at this point looked to be between him and Red Leaf, who had forged to the front. Kiliter, however, ran by half a length when they were well settled in the stretch and came on to win easily.

Foul Riding Must Stop.

Presiding Steward Fitzgerald is evidently bent on putting an end to foul tactics and on making the race track a safe place for the public. His second disqualification of the day came in the third race. Sanguine, who finished second, was taken out of the money and Youthful given third place with Scallop second. Joe Nealon won the race, coming from behind at a half a length.

Good Ride by Miller.

A good ride got Calngorm home in front of Far West in the fifth race. Riffman and Far West cut out the running while Calngorm led the third. At the stretch turn Miller got the rail and the race was practically won there. Calngorm was not good and strong and got show money.

In a brief speech Mr. Reid lauded Prof. Chancy's educational work in America.

POLO GROUNDS, NEW YORK, July 11.—A heavy shower delayed today's game between the Giants and Cincinnati for half an hour, and when play started it was on a wet and soggy field.

Notwithstanding the bad weather, four thousand persons were out to see the contest.

It was learned today that Tommy Corcoran is the latest addition to the casualty list. From a spike wound received in Brooklyn last week it is feared that he has developed a slight attack of blood poisoning. It will be several days before he can go on the diamond again.

Attorney - General Jackson Brings Action Against Ryan and Belmont Monopoly.

SAYS CHARTER IS VOID.

Gets an Order to Show Cause Why Agreement Should Not Be Annulled.

Attorney-General Jackson continued his trust-busting campaign this afternoon when he obtained from Justice Pitlake in the Supreme Court an order requiring the Interborough-Metropolitan Railway Company to show cause why the merger agreement should not be annulled and the charter voided. The order will be argued on July 19 in Special Term, Part I, of the Supreme Court.

The Attorney-General bases his application on United States Court Judge Holt's recent decision in a stockholder's suit that the Inter-Met merger was illegal in that it constituted a monopoly. The granting of the order makes the second attack upon the local trusts within the last week.

The interests controlled by Thomas F. Ryan were still rocking from the assault made upon the Consolidated Gas Company yesterday when Mr. Jackson sought to oust that controlling company from the use of the franchise of the five local gas companies.

In his suit against the Consolidated the Attorney-General held that the franchise of the gas companies absorbed by the Gas Trust had been acquired illegally in his application for the order to declare null and void the charter of the Ryan-Belmont merger. Jackson followed the line of the Judge Holt decision.

GRL-BRIDE SAYS BRONX BRIGANDS HELD HER CAPTIVE

Seven Bandits, Armed With Knives and Pistols, Took Her From House, Overawing Father and Made Her Prisoner.

Olympia Nisco Tolverre, the fifteen-year-old bride who says she was abducted and held captive by an Italian brigand chief, to-day told the thrilling and romantic story of her captivity to Magistrate Harris, in Morrisania Court. The girl was discovered last night by detectives searching for her, and on her complaint they arrested Luigi Tenna, of No. 2377 Hoffman street, Bronx.

Tenna is a swarthy fellow, with a sweeping black mustache and enough of a commanding presence to carry out his assertion that he was once a member of the Horse Guards of the King of Italy.

Olympia is the daughter of Raphael Nisco, a city employee, living at No. 285 Hoffman street. Miss Carla, wife of her last teacher in Public School, No. 2, on Belmont avenue, says that Olympia was the brightest girl in her class. Her big, black eyes have a way of widening when she talks, which, with a peculiar smile that lights up her face during conversation, gives her a very interesting appearance for a girl scarcely out of childhood.
